The Call & The Answer

You called and I ran  
as wild as the wind that blows across the moor  
all we need..... is each other  
and with the eagles we will soar.

*You are the call and I am the answer  
you are the wish and I am the way  
you the music and I the dancer  
you are the night and I am the day,  
you are the night and I am the day.*

You and I are like two rivers  
that run and fall down to the sea  
when we meet we're one together  
we'll go on forever you and me.

*You are the call...*

Lay your head upon my pillow  
and let your heart beat close to mine  
with no past and no tomorrow  
two hearts lost in space and time.

*You are the call...*

You called and I ran  
as wild as the wind that blows across the moor  
all we need is each other  
and with the eagles we will soar.

*You are the call...*

#### Crossing The Bar

Sunset and evening star,  
and one clear call for me!  
And may there be no moaning of the bar,  
when I put out to sea,  
when I put out to sea,  
when I put out to sea,  
And may there be no moaning of the bar,  
when I put out to sea.

But such a tide as moving seems asleep,  
too full for sound and foam,  
when that which drew from out the boundless deep,  
turns again for home.  
Turns again for home,  
turns again for home,  
when that which drew from out the boundless deep,  
turns again for home,

Twilight and evening bell,  
and after that the dark!  
And may there be no sadness of farewell,  
when I embark;  
when I embark,  
When I embark,  
And may there be no sadness of farewell,  
when I embark,

For tho' from out our bourne of time and place  
the flood may bear me far,  
I hope to see my Pilot face to face  
when I have crossed the bar.  
When I have crossed the bar,  
when I have crossed the bar,  
I hope to see my pilot face to face  
when I have crossed the bar.  
When I have crossed the bar.
