Welcome And Opening Address

By Rupert Morris, Celebrant

A Tribute

By Merrill Thomas

Rupert introduces 'Alfie'

'Alfie'

Sung live by Claire Sweeney
(recorded by Cilla Black 1965)

What's it all about, Alfie?
Is it just for the moment we live?
What's it all about when you sort it out, Alfie?
Are we meant to take more than we give
Or are we meant to be kind?
And if only fools are kind, Alfie
Then I guess it is wise to be cruel
And if life belongs only to the strong, Alfie
What will you lend on an old golden rule?
As sure as I believe there's a heaven above, Alfie
I know there's something much more
Something even non-believers can believe in
I believe in love, Alfie
Without true love we just exist, Alfie
Until you find the love you've missed you're nothing, Alfie
When you walk let your heart lead the way
And you'll find love any day, Alfie

'What Should Life Be?'

By Martine McCutcheon
(Anonymous)

What Should Life Be?
Neat and orderly?
or messy and chaotic?

Quiet desperation,
even quieter compromise?
or daring thrills,
creative experiments?
Walking carefully along
looking down at
gray sidewalks
to avoid crack or pebble?
or leaping from peak to peak
across gaping canyons
looking down
from dizzying heights?

No one should decide for another.
One can only live what one believes.
If you ask, we believe:

Life should **not** be
a methodical journey to the grave
with the goal being sure, safe arrival
in a well-preserved body,
but rather to skid in sideways,
flute of champagne in hand,
screaming "What a Ride!"

Rupert introduces 'Going Back'

'Going Back'

Sung Live by Claire Sweeney
(recorded by Dusty Springfield 1966)

I think I'm goin' back
To the things I learned so well in my youth
I think I'm returning to
Those days when I was young enough to know the truth
Now there are no games
To only pass the time
No more coloring books
No Christmas bells to chime
But thinking young and growing older is no sin
And I can play the game of life to win
I can recall a time,
When I wasn't ashamed to reach out to a friend
And now I think I've got
A lot more than a skipping rope to lift
Now there's more to do
Than watch my sailboat glide
And every day can be my magic carpet ride
And I can play hide and seek with my fears
And live my days instead of counting my years
Let everyone debate the true reality,
I'd rather see the world the way it used to be
A little bit of freedom's all we're lack
So catch me if you can
I'm goin' back

'If You Go'

By David Walliams

(Recorded by Dusty Springfield 1967)

If you go away on this summer day
Then you might as well take the sun away
All the birds that flew in the summer sky
When our love was new and our hearts were high
When the day was young and the night was long
And the moon stood still for the night bird's song

If you go away, if you go away, if you go away

But if you stay, I'll make you a day
Like no day has been or will be again
We'll sail on the sun, we'll ride on the rain
We'll talk to the trees and worship the wind
Then if you go, I'll understand
Leave me just enough love to hold in my hand

If you go away, if you go away, if you go away

But if you stay, I'll make you a night
Like no night has been or will be again
I'll sail on your smile, I'll ride on your touch
I'll talk to your eyes, that I love so much
Then if you go, I'll understand
Leave me just enough love to hold in my hand

If you go away, if you go away, if you go away

If you go away, as I know you must
There'll be nothing left in this world to trust
Just an empty room, full of empty space
Like the empty look I see on your face
Oh, I'd have been the shadow of your shadow
If it might have kept me by your side

If you go away, if you go away, if you go away

Please don't go away!

Rupert introduces 'One Love'

'One Love'

Sung live by Blue -

Antony Costa, Duncan James, Lee Ryan, Simon Webbe

It's kinda funny how life can change
Can flip 180 in a matter of days
Sometimes it works in mysterious ways
One day you wake up without a trace

I refuse to give up
I refuse to give in
You're my everything
I don't want to give up
I don't want to give in
So everybody sing

One love - for the mother's pride
One love - for the times we've cried
One love - gotta stay alive
I will survive
One love - for the city streets
One love - for the hip-hop beats
One love - oh I do believe
One love is all we need

Late at night I'm still wide awake
And this is one more than I can take
I thought my heart could never break (will never break)
Now I know that one big mistake

I refuse to give up
I refuse to give in
You're my everything
I don't want to give up
I don't want to give in (oh no)
Everybody sing

One love - for the mother's pride
One love - for the times we've cried
One love - gotta stay alive
I will survive
One love - for the city streets
One love - for the hip-hop beats
One love - oh I do believe
One love is all we need

Baby just love me love me love me
Baby just hold me hold me hold me
Oh love me love me love me
One love
Baby just love me love me love me
Baby just hold me hold me hold me
Oh love me love me love me

One love - for the mother's pride
One love - for the times we've cried
One love - gotta stay alive
I will survive
One love - for the city streets
One love - for the hip-hop beats
One love - oh I do believe
One love is all we need

One love - for the mother's pride
One love - for the times we've cried
One love - gotta stay alive
I will survive
One love - for the city streets
One love - for the hip-hop beats
One love - oh I do believe
One love is all we need
