The Committal

Let not the waves of the sea separate us now,
and the years you have spent in our midst become a memory.

You have walked among us a spirit
and your shadow has been a light upon our faces.

Much have we loved you.
But speechless was our love and with veils has it been veiled.

Yet now it cries aloud unto you,
and would stand revealed before you.
And ever has it been that love knows not its own depth
until the hour of separation.

from *The Prophet* by Kahil Gibran
