## **The Red Flag**

*music Ernst Anschütz; words Jim Connell*

The people's flag is deepest red,  
It shrouded oft our martyred dead,  
And ere their limbs grew stiff and cold,  
Their hearts' blood dyed its ev'ry fold.

*Chorus: Then raise the scarlet standard high.  
Within its shade we'll live and die,  
Though cowards flinch and traitors sneer,  
We'll keep the red flag flying here.*

It well recalls the triumphs past,  
It gives the hope of peace at last;  
The banner bright, the symbol plain,  
Of human right and human gain.

*Chorus*

With heads uncovered swear we all  
To bear it onward till we fall;  
Come dungeons dark or gallows grim,  
This song shall be our parting hymn.

*Chorus*

## **The Internationale**

*music Pierre De Geyster; words after Billy Bragg*

Stand up, all victims of oppression  
For the tyrants fear your might  
Don't cling so hard to your possessions  
For you've nothing, if you have no rights  
Let racist ignorance be ended  
For respect makes the empires fall  
Freedom's privilege extended  
Unless enjoyed by one and all

*Chorus:*

*So brothers and sisters  
For the struggle carries on  
The Internationale  
Unites the world in song  
So comrades come rally  
For this is the time and place  
The international ideal  
Unites the human race*

Let no one build walls to divide us  
Walls of hatred nor walls of stone  
Come greet the dawn and stand beside us  
Live together or we'll die alone  
In our world poisoned by exploitation  
Those who've taken, now they must give  
And end the vanity of nations  
We've but one Earth on which to live

*Chorus*

And so begins the final drama  
In the streets and in the fields  
We stand unbowed before their armour  
We defy their guns and shields  
When we fight, provoked by their aggression  
Be inspired by life and love  
For though they offer us concessions  
Change will not come from above

*Chorus*

From our families divide us  
But you can't break the oath  
Of a Tolpuddle man.*
