## **LEIGHA'S POEM**

Dad, you carried pain that nobody could see,  
Fighting battles that eventually took you from me.  
But you never knew how many hearts cared,  
How much love for you was always there.

I see you in the mirror,  
A reflection of your face,  
Your freckly cheeks,  
Your smile, your eyes, your grace.

I miss you more than words can say,  
In every laugh, in every day.  
Now you're gone, but I see you shine,  
A star in the sky, forever mine.

I love you Dad

***Remember Me As I Used To Be***

Remember me as I used to be  
Not as you saw me last.  
Recall the days of happy times  
Spent with me in the past.

Instead of tears for what might have been  
Smile for all that we shared.  
A life so full of happiness,  
Made so because you cared.

And next time you see a rose in bloom  
Or hear a blackbird's song,  
Remember me as I used to be  
In the days when I was strong.

I would not wish for you to grieve  
For the person I had become  
Instead relive those memories  
Of the days when I was young.

So remember me as I used to be  
Not as you saw me last.  
And keep me close in memory  
In your present and in our past.

***Look For Me In Rainbows***

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, way up in the sky.  
In the morning sunrise when all the world is new,  
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;  
Look for me in rainbows, high up in the sky.  
In the evening sunset, when all the world is through,  
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then  
My loving arms will hold you, when we meet again.  
Time for us to part now, we won't say goodbye;  
Look for me in rainbows, shining in the sky.

Every waking moment, and all your whole life through  
Just look for me and love me, as you know I loved you.

Just wish me to be near you  
And I'll be there with you.
