Reflections

with video and music.

Closing words by Kate Hobson,
and a chance to say goodbye to Tina.

Recessional Music

'The Prayer' *by Andrea Bocelli & Céline Dion.*

Most Importantly Love
by Rupi Kaur

Most importantly love
like it's the only thing you know how
at the end of the day all this
means nothing
this page
where you're sitting
your degree
your job
the money
nothing even matters
except love and human connection
who you loved
and how deeply you loved them
how you touched the people around you
and how much you gave them
